Case No. _____

JURY TRIAL DEMANDED

CLASS ACTION

COMPLAINT FOR VIOLATION OF THE SECURITIES EXCHANGE ACT OF 1934

Plaintiff, by his undersigned attorneys, for this complaint against defendants, alleges upon personal knowledge with respect to himself, and upon information and belief based upon, *inter alia*, the investigation of counsel as to all other allegations herein, as follows:

NATURE OF THE ACTION

1. This action stems from a proposed transaction announced on September 26, 2016 (the “Proposed Transaction”), pursuant to which Chemtura Corporation (“Chemtura” or the “Company”) will be acquired by Lanxess Deutschland GmbH (“Parent”) and Lanxess Additives Inc. (“Merger Sub,” and together with Parent, “Lanxess”).

2. On September 25, 2016, Chemtura’s Board of Directors (the “Board” or “Individual Defendants”) caused the Company to enter into an agreement and plan of merger (the “Merger Agreement”). Pursuant to the terms of the Merger Agreement, shareholders of Chemtura will receive \$33.50 per share in cash.

3. On November 4, 2016, defendants filed a Preliminary Proxy Statement (the “Proxy Statement”) with the United States Securities and Exchange Commission (“SEC”) in connection with the Proposed Transaction.

4. The Proxy Statement omits material information with respect to the Proposed Transaction, which renders the Proxy Statement false and misleading. Accordingly, plaintiff alleges herein that defendants violated Sections 14(a) and 20(a) of the Securities Exchange Act of 1934 (the “1934 Act”) in connection with the Proxy Statement.

JURISDICTION AND VENUE

5. This Court has jurisdiction over the claims asserted herein pursuant to Section 27 of the 1934 Act because the claims asserted herein arise under Sections 14(a) and 20(a) of the 1934 Act and Rule 14a-9.

6. This Court has jurisdiction over defendants because each defendant is either a corporation that conducts business in and maintains operations within this District, or is an individual with sufficient minimum contacts with this District so as to make the exercise of jurisdiction by this Court permissible under traditional notions of fair play and substantial justice.

7. Venue is proper under 28 U.S.C. § 1391(b) because a substantial portion of the transactions and wrongs complained of herein occurred in this District.

PARTIES

8. Plaintiff is, and has been continuously throughout all times relevant hereto, the owner of Chemtura common stock.

9. Defendant Chemtura is a Delaware corporation and maintains its principal executive office at 1818 Market Street, Suite 3700, Philadelphia, Pennsylvania 19103. Chemtura’s common stock is traded on the NYSE under the ticker symbol “CHMT.”

10. Defendant Craig A. Rogerson (“Rogerson”) has served as Chairman of the Board, President, and Chief Executive Officer (“CEO”) of Chemtura since December 2008.

11. Defendant Jeffrey D. Benjamin (“Benjamin”) is a director of Chemtura. According to the Company’s website, Benjamin is Chair of the Compensation & Governance Committee and a member of the Audit Committee.

12. Defendant Timothy J. Bernlohr (“Bernlohr”) is a director of Chemtura. According to the Company’s website, Bernlohr is a member of the Audit Committee and the Compensation & Governance Committee.

13. Defendant Anna C. Catalano (“Catalano”) is a director of Chemtura. According to the Company’s website, Catalano is a member of the Compensation & Governance Committee and the Environmental, Health & Safety Committee.

14. Defendant James W. Crownover (“Crownover”) is a director of Chemtura. According to the Company’s website, Crownover is Chair of the Environmental, Health & Safety Committee and a member of the Compensation & Governance Committee.

15. Defendant Robert A. Dover (“Dover”) is a director of Chemtura. According to the Company’s website, Dover is a member of the Audit Committee and the Environmental, Health & Safety Committee.

16. Defendant Jonathan F. Foster (“Foster”) is a director of Chemtura. According to the Company’s website, Foster is a member of the Compensation & Governance Committee and the Environmental, Health & Safety Committee.

17. Defendant John K. Wulff (“Wulff”) is a director of Chemtura. According to the Company’s website, Wulff is Chair of the Audit Committee and a member of the Environmental, Health & Safety Committee.

18. The defendants identified in paragraphs 10 through 17 are collectively referred to herein as the “Individual Defendants.”

19. Defendant Parent is a limited liability company under the laws of Germany and a party to the Merger Agreement.

20. Defendant Merger Sub is a Delaware corporation, an indirect wholly-owned subsidiary of Parent, and a party to the Merger Agreement.

CLASS ACTION ALLEGATIONS

21. Plaintiff brings this action as a class action on behalf of himself and the other public stockholders of Chemtura (the “Class”). Excluded from the Class are defendants herein and any person, firm, trust, corporation, or other entity related to or affiliated with any defendant.

22. This action is properly maintainable as a class action.

23. The Class is so numerous that joinder of all members is impracticable. As of June 30, 2016, there were approximately 63.2 million shares of Chemtura common stock outstanding, held by hundreds, if not thousands, of individuals and entities scattered throughout the country.

24. Questions of law and fact are common to the Class, including, among others: (i) whether defendants violated the 1934 Act; and (ii) whether defendants will irreparably harm plaintiff and the other members of the Class if defendants’ conduct complained of herein continues.

25. Plaintiff is committed to prosecuting this action and has retained competent counsel experienced in litigation of this nature. Plaintiff’s claims are typical of the claims of the other members of the Class and plaintiff has the same interests as the other members of the Class. Accordingly, plaintiff is an adequate representative of the Class and will fairly and adequately protect the interests of the Class.

26. The prosecution of separate actions by individual members of the Class would create the risk of inconsistent or varying adjudications that would establish incompatible standards of conduct for defendants, or adjudications that would, as a practical matter, be dispositive of the interests of individual members of the Class who are not parties to the adjudications or would substantially impair or impede those non-party Class members' ability to protect their interests.

27. Defendants have acted, or refused to act, on grounds generally applicable to the Class as a whole, and are causing injury to the entire Class. Therefore, final injunctive relief on behalf of the Class is appropriate.

SUBSTANTIVE ALLEGATIONS

Background of the Company

28. Chemtura is a global specialty chemicals company with leading positions in diversified markets.

29. The Company is: (i) a global manufacturer and marketer of high-performance additive components, building blocks for synthetic lubricant base-stocks (Industrial Performance Products); (ii) a world leader in high-performing calcium sulfonate specialty greases and phosphate and polyol ester-based fluids (Industrial Performance Products); (iii) a global leader in the development and manufacture of hot cast elastomers (Industrial Performance Products); (iv) one of the three largest developers and manufacturers of bromine and bromine-based products (Great Lakes Solutions); and (v) one of the three largest developers and manufacturers of organometallic compounds that have applications in catalysts, surface treatment, and pharmaceuticals (Organometallic Specialties).

30. Chemtura manufactures products in eleven countries and sells products in over eighty countries. The Company has approximately 2,500 employees in research, manufacturing, sales, and administrative facilities in every major market of the world, with regional headquarters and shared service centers in Shanghai, China; Middlebury, Connecticut; and Manchester, United Kingdom/Frauenfeld, Switzerland.

31. On April 28, 2016, Chemtura issued a press release wherein it reported its financial results for the first quarter ended March 31, 2016. Among other things, the Company reported that Adjusted EBITDA increased 47% from \$51 million to \$75 million compared to the quarter ended March 31, 2015. With respect to the financial results, Individual Defendant Rogerson, Chairman, President, and CEO of Chemtura, commented:

Our first quarter performance delivered a strong start to 2016 and was our fifth consecutive quarter of year-over-year Adjusted EBITDA improvement for our two Industrial business segments[.] Adjusted EBITDA for the quarter of \$75 million compared to \$51 million a year ago lifted our last twelve months Adjusted EBITDA as of March 31, 2016 to \$261 million from \$237 million in December 2015.

32. On July 28, 2016, Chemtura issued a press release wherein it reported its financial results for the second quarter ended June 30, 2016. The Company reported that operating income increased 25% from \$44 million to \$55 million compared to the quarter ended June 31, 2015. Earnings from continuing operations increased 89% from \$18 million to \$34 million compared to the quarter ended June 31, 2015. Earnings from continuing operations per diluted share increased 104% from \$0.26 to \$0.53 compared to the quarter ended June 31, 2015. Moreover, Adjusted EBITDA increased 15% from \$61 million to \$70 million compared to the quarter ended June 31, 2015. With respect to the financial results, Individual Defendant Rogerson commented:

Our performance in the second quarter continued our strong start to 2016[.] Our second quarter results delivered meaningful improvement over prior year performance, led by our IEP segment. Year-over-year improvements in pricing for bromine and its derivatives combined with robust sales for our Emerald Innovation™ 3000 product led the way for IEP. Across the board, our commercial excellence and cost reduction initiatives continue to drive consistent bottom line results. . . . We are pleased to have kept pace with our strong first quarter 2016 results and we believe that our first half performance puts us in an excellent position to meet our stated goals for the full year.

Background of the Proposed Transaction

33. According to the Proxy Statement, in early 2015, Chemtura’s representatives contacted several potential bidders.

34. Thirteen parties subsequently executed confidentiality agreements that included “customary ‘standstill’ provisions, which, subject to certain exceptions, prohibited a potential counterparty from acquiring shares of Chemtura common stock or taking certain other actions.”

35. On February 4, 2015, the CEO of “Party A” contacted Individual Defendant Rogerson and “preliminarily suggested that Party A would be willing to pay \$500 million for Chemtura’s IEP segment and potentially \$25 to \$26 per share for the entire company.” According to the Proxy Statement, “Party A had previously provided a nonbinding expression of interest for the Great Lakes Solutions business,” but the Proxy Statement fails to disclose the terms or value of that expression of interest.

36. On June 17, 2015, “Party J” submitted a proposal to acquire certain assets of Chemtura’s IPP segment for \$1.5 billion.

37. Also in June 2015, Chemtura executed a confidentiality agreement with “Party N.” The Proxy Statement fails to disclose whether the confidentiality agreement contained standstill and/or “don’t ask, don’t waive” (“DADW”) provisions.

38. On August 12, 2015, Individual Defendant Rogerson and Stephen Forsyth (“Forsyth”), Executive Vice President and Chief Financial Officer of Chemtura, met with representatives of “Party F.” The Company “approached Party F due to its indication of interest in acquiring [] the IEP segment.” On September 8, 2015, Chemtura and Party F executed a confidentiality agreement. The Proxy Statement fails to disclose the terms of Party F’s indication of interest, as well as whether the confidentiality agreement contained standstill and/or DADW provisions.

39. In November 2015, “Party P” expressed interest in acquiring Chemtura’s IPP segment, and the Company and Party P subsequently entered into a confidentiality agreement. The Proxy Statement fails to disclose the terms of Party P’s indication of interest, as well as whether the confidentiality agreement contained standstill and/or DADW provisions.

40. On December 10, 2015, the Board met and discussed “recent discussions with Parties F, J and P, noting that none of the outreach to date had resulted in a concrete proposal that merited evaluation by the Chemtura board.” The Proxy Statement fails to disclose the terms or value of any such proposals.

41. On January 13, 2016, Chemtura executed a confidentiality agreement with “Party Q.” Again, the Proxy Statement fails to disclose whether the confidentiality agreement contained standstill and/or DADW provisions.

42. On March 2, 2016, Rogerson and the CEO of Party Q met and Party Q’s CEO indicated that “he envisioned a merger of equals transaction with an exchange ratio that would be set at the market price of each of the companies’ common stock.”

43. On March 29, 2016, Rogerson met with representatives from “Party G” and “Party H,” which “had expressed renewed interest in jointly acquiring Chemtura in an all cash

transaction.” Chemtura and Parties G and H entered into new confidentiality agreements, but the Proxy Statement fails to disclose whether the confidentiality agreements contained standstill and/or DADW provisions.

44. On April 6, 2016, Rogerson met with representatives of Lanxess, who expressed interest in acquiring Chemtura in an all cash transaction.

45. On April 11, 2016, Chemtura and Lanxess entered into a confidentiality agreement. The Proxy Statement fails to disclose whether the confidentiality agreement contained standstill and/or DADW provisions.

46. In May 2016, Chemtura and Party Q negotiated a term sheet, but failed to reach agreement on “certain key terms,” including corporate governance and executive leadership structures of the combined company.

47. On May 23 and May 31, 2016, Rogerson and Matthias Zachert (“Zachert”), CEO of Lanxess, met telephonically and in person to discuss a potential transaction. Zachert made a verbal proposal to acquire Chemtura for \$32.50 per share.

48. In June 2016, Chemtura entered into a confidentiality agreement with Party O. The Proxy Statement fails to disclose whether the confidentiality agreement contained standstill and/or DADW provisions.

49. On June 6, 2016, Rogerson called Zachert and stated that the Board “would expect a price of \$37 per share.” Rogerson and Zachert spoke again on June 17.

50. On August 2, 2016, Zachert submitted a revised proposal to Rogerson of \$33.50 per Chemtura share.

51. On August 8, 2016, the Board determined that Chemtura should continue to pursue a transaction with Lanxess at the proposed \$33.50 price, despite the fact that the Board
